Message from ISFTD President

On behalf of the Board of Directors of the International Society for Frontotemporal Dementias (ISFTD) and the Scientific Program Committee, it is my great pleasure to invite you to participate in the 15th International Conference on Frontotemporal Dementias (ISFTD 2026), taking place on October 8 to 11, 2026, at the Philadelphia Marriott Downtown, Philadelphia, US. We look forward to welcoming you to one of the most dynamic and inspiring global gatherings in the field of Frontotemporal Dementias, where leading experts, emerging scientists, and industry partners will unite to advance research, innovation, and care.

The ISFTD Annual Meeting is recognized as the premier global forum for research and clinical exchange in Frontotemporal Dementias. Each edition brings together more than 1,000 clinicians, researchers, and professionals from neurology, psychiatry, geriatrics, neuropsychology, and related disciplines. In addition, caregivers and families affected by FTD are invited to take part in our dedicated Caregivers Program, fostering dialogue and understanding across the full FTD community.

The 2026 program will feature an engaging mix of keynote lectures, podium and poster presentations, interactive sessions, and educational workshops, offering rich opportunities for dialogue and collaboration. We warmly invite you to join us as a sponsor and exhibitor of ISFTD 2026. Your support plays a vital role in making this world-class event possible and in driving progress toward improved diagnosis, treatment, and understanding of FTD. Together, we can continue to foster innovation, education, and partnership in this rapidly evolving field.

We look forward to welcoming you to Philadelphia for what promises to be an exceptional and memorable meeting!

BENEFITS of Sponsored Listings

- ✓ Additional exposure for your brand through listings
- ✓ Expanded profiles including photos, brochures, and other marketing materials

Survey USD 4,000

There will be two ways you can gather feedback directly from attendees with custom surveys and interactive polling. Sponsored surveys let you gather comprehensive data from the broader attendee base with options for customization and multiple questions. For example, if you purchase a live poll, you can gather feedback from an audience in real time and display the live results in a session presentation. This allows you to be a part of the conversation and make adjustments on the fly.

BENEFITS of Surveys

- ✓ Paperless. No paper to distribute and collect. Surveys can be featured in session pages, within sponsored listings or on the home screen with an icon.
- ✓ Polls are an interactive part of meetings that can be branded for you and used for immediate feedback.
- ✓ You can incorporate your brand's name in questions or include a brand image within a poll or survey

Push Notifications - USD 2,500

Push notifications will instantly help you reach attendees with important information, alerts, updates and more. It's an ideal way for you to connect with more customers. Native apps will allow you to create custom messages and send them to attendees anytime and anywhere. Push notifications appear on the screen of an attendee's device even if the meeting app is closed, similar to a text message. This will allow you to ensure that alerts and updates are always seen. With push notifications, you can encourage attendees to visit your booth or view your company listing to learn more about your products and services.

BENEFITS of Push Notifications

- ✓ Alerts pop-up instantaneously on each attendee's device
- ✓ All attendees receive notifications as long as they have the meeting app
- ✓ Use this avenue to connect with attendees before, during and after the meeting
- ✓ Target specific groups of attendees with segmented push notifications
